## **MANDATE**

This is where you explain what you're all about. Include details like what media you're interested in showcasing or developing and what your focus is as a group. Think of how you would explain this project to someone who has never heard of it. Does this group have a history at the school or are you brand new? Do you plan to hold exhibitions/workshops/meetings? Why should folks participate?

## **GOALS**

This is where you give us a brief outline of what your group hopes to accomplish over the next academic year.

Typically things like:

- Collaboration and building creative community.
- Providing paid opportunities for artists and help in their artistic development.
- Hosting group exhibition.
- Create more opportunity for skill/knowledge sharing.
- Host and facilitate Zine exchange or communal art project.
- Collaborate with an external gallery/studio.
- Host film screening in the lecture theatre.
- Relax, play board games, eat snacks, and make new friends.

## TIMELINE

This is for planning out details like exhibitions, receptions, meetings, and workshops etc. Below is an example timeline, yours will be unique to your objective. The dates can be approximate. We know things shift all the time. We just want to see you have a general idea of what you're planning and when things are happening.
